

## **Visa Alert: Technical Difficulties -**

**\*\*Please be advised\*\*:** Due to technical problems with our internet connectivity, the US Consulate Mumbai has been unable to print visas at normal speed. This has caused delays in visa printing and affects all applicants in all visa categories. We are responding to the problem as quickly as possible, and will print visas and deliver passports as soon as we can. We sincerely apologize to our visa applicants for any inconvenience or delayed travel.
